If I am signing this policy when I am under 18, I understand that when I turn 18, this policy will continue to be in full force and effect and I agree to abide by this policy.

**Parent or Legal Guardian.** (If applicant is under 18 years of age, a parent/legal guardian must also read and sign this agreement.) As the parent or legal guardian of the above-named student(s) I have read, understand, and agree that my child shall comply with the terms of the District's policy regarding District-Provided Access and Non-District-Provided Access to Electronic Information, Services, and Networks for the student's access to the District's computer network and/or the Internet. I understand that access is being provided to the students for educational purposes only. By my signature I (Signee – print please) also agree to abide by District Policy #3612 when accessing either District provided WIFI Internet access or access to District Electronic Information. I understand that any violations of the Unacceptable Uses of Network, as outlined in BP #3612, is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked and/or appropriate legal action may be initiated. I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's responsibility for abiding by the policy. I am, therefore, signing this Agreement and agree to indemnify and hold harmless the District, the Trustees, Administrators, teachers, and other staff against all claims, damages, losses, and costs, of whatever kind, that may result from my child's use of or access to such networks or his/her violation of the District's policy. Further, I accept full responsibility for supervision of my child's use of his/her access account if and when such access is not in the school setting. I hereby give my child permission to use the building-approved account to access the District's computer network and the Internet.
