November 2017

Dear HES Families,

It has been such a delight these past months to watch our children grow in confidence and independence. The kindergarten years are a time for remarkable development and one in which unique learning styles can be recognized. I enjoy watching that growth continue through all grades.

In September our focus was on getting acquainted and easing into a school routine. Now that the students and staff are settled in October was filled with special activities and fun. Now our focus will turn to Veteran's Day, Giving Thanks, and dressing warm for the colder weather. As another reminder, we will continue to have outside recess unless the temperatures fall below zero.

I would also like to take a moment to introduce Evelyn Bigby as our new Assistant Principal. Ms. Bigby has been with the district for more than ten years and will be a great asset in her new role.

Bobcat/Griz Food Drive

We will be having our annual food drive November 13th -17th.

Bring in your canned goods to show your support for your favorite team & help stock up the food bank!

Please remind your students that fidget spinners are not allowed in school. All fidget spinners brought during school hours will be confiscated.

Thank you for your cooperation.

You can receive this newsletter and other important notices via email or fax. Call 353-2258 or email lorio@harlem-hs.k12.mt.us to get added to our electronic mailing list.

MBI Musings

This month we are focusing on respect. Treating people with respect makes our world a nicer place to live in whether it's at home, at school, or out in the community. It's easy! All you have to do is treat people the way you want to be treated.

Please take some time to talk to your student about how they can contribute to ROAR by being respectful. Remind them to listen when others speak, use "please" and "thank you," be kind, and be sensitive to others' feelings, likes, and dislikes.

A few gentle reminders:

Please remember to send kids to school with weather appropriate clothing. We will have outdoor recess as long as temps are above 0. Doors do not open until 7:45.

If a student is signed up for an activity, they will automatically be kept after school. Please be aware that adverse weather may cause activities to be cancelled.
