September 2017

Dear HES Families,

The school year has started again, and I want you to know how excited I am to have your child in our school for this exciting and challenging new year. We will keep you informed of the progress and any upcoming events that may go on in the school year.

I know sometimes our children can be a little forgetful once they leave the classroom for the day. Please check your child's backpack every evening for any homework assignments they may have. We may also have to send consent or letters that will need to be signed and sent back the next day. So, always be on the lookout!

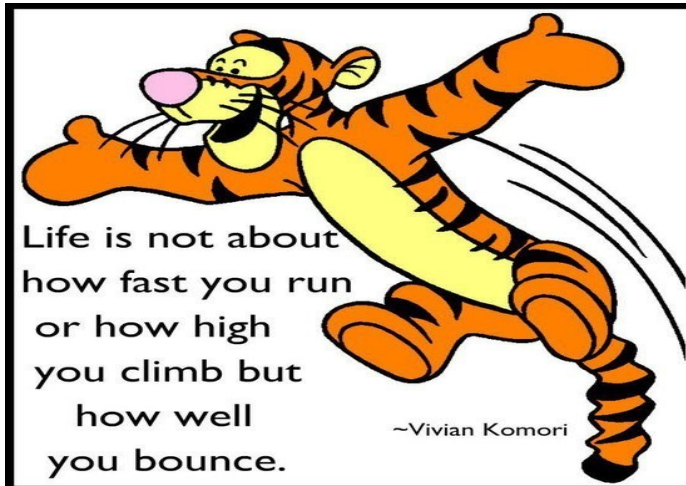

Our district website at www.harlem-hs.k12.mt.us and our Harlem Public Schools Facebook page are great places to get up-to-date information on what is happening in our schools. We will also have our email communication starting up soon so make sure that we have a current email on file.

We look forward to a very positive and productive year together!

Sincerely,

Shiloh Seymour

how well
you bounce.
