August/September 2016

Dear HES Families,

Welcome Back! I am are incredibly excited to begin my seventh year here at Harlem Elementary! This promises to be a year filled with golden opportunities for all of our students as we strive to find ways that we can be even better than we have before! We embark on this journey with a pledge to you, our students and parents, that this will be a year of engaging, meaningful and rigorous work in our classrooms, combined with special events throughout the school year.

We look forward to a very positive and productive year together! We extend a special, yearlong invitation to our families to join us at school activities and events whenever possible. We want . . . we need . . . and we value your involvement and support in your child's education! Your active participation and attendance in school is key to the success of your young Wildcat during his/her elementary school years.

Sincerely,

Shiloh Seymour

Principal
