April 2017

Dear HES Families,

Believe it or not, we have less than seven weeks of school left. We want students to continue to work hard for the next several weeks and be prepared to move up to the next grade. This week, we celebrated students who earned 30 or more roaring tickets for the quarter. We had 200+ students eligible to participate! Our students should feel proud of all that they have accomplished this year, so far. I am excited to see what the future holds for them.

This month, we began the Smarter Balanced testing for grades 3-6. We started with our sixth graders and will end with our third grade in the first part of May. Please encourage them to do their best on the test. A good night's rest and a hearty breakfast make for a good start to testing day.

April and May will see our students working on various projects. May will be a busy month with Track & Field, class field trips, and other end-of-year activities. We are just busy doing fun school stuff!

Sincerely,
Shiloh Seymour
Principal
Harlem Elementary School

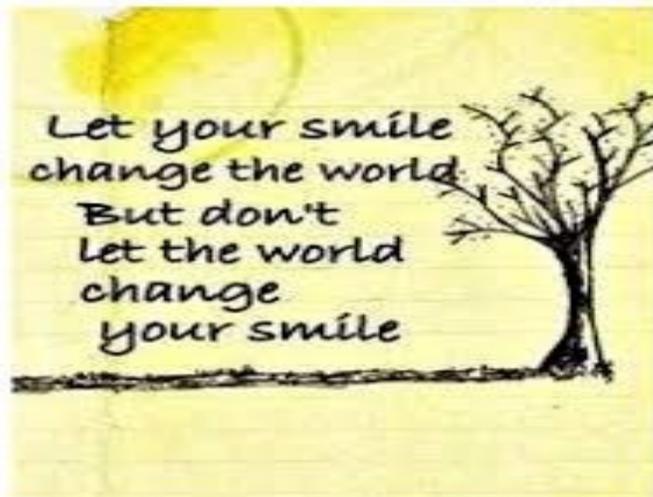

Please join us in supporting two very special student athletes as they compete in the Special Olympics this month. Madison Cole and Eliana Cochran will join students from the high school at 9:00 a.m. at Havre Middle School on April 26th. Good luck, girls!

Taken from Parent Co's "30 Questions to Ask you Kid Instead of How Was Your Day," here are a few conversation starters that are sure to get your kids talking:

1. Did anyone push your buttons today?
2. If school were a ride at the fair, what ride would it be? Why?
3. What is your teacher's most important rule?

More to Come!
