February 2018

Dear HES Families,

February is I Love to Read Month and we have a lot of exciting activities planned for the month, all leading up to I Love to Read Week. Please take some time this month to READ aloud with your students and have them read to you. Reading aloud not only helps you de-stress with your kids, it also builds motivation, curiosity, and memory. Many say that it is the single most important activity for developing language and literacy.

Throughout the month, students will be rewarded with parties and prizes for reaching their reading goals. Our big finale will be on Friday, March 2nd when students who met their AR goals and fill out a caterpillar piece get to help tape me to the wall!

We will also be holding parent/teacher conferences this month. Please join us on February 20th from 4:00—7:00 to check on your child's progress and pick up mid-term report cards.

I'm looking forward to a great second half of this school year. The students and staff will continue to work hard for a successful year for everyone!

Sincerely,
Shilch Seymour

Principal
Harlem Elementary School
