April 2018

Dear HES Families,

It's hard to believe that Spring is here and it's still cold enough to require the occasional indoor recess! Despite the dreary weather, we want students to continue to work hard and finish the school year strong. This week, we began Smarter Balance testing for grades 3-6 and will continue for most of April. Students should make sure they're well rested and get to school in time to have a good breakfast and an on-time start to the day.

We will have our last parent/teacher conference of the year on April 23rd. Conferences are a great time to check on your student's progress and help them succeed through the end of the school year. It is already time to start planning for and working toward next year!

We're looking forward to a fun and productive April and May. We have our Spring Family Literacy Night, Track & Field Day, and class field trips coming up to finish out the year. We're also very excited to welcome the incoming kindergarteners, Class of 2031, during Kindergarten Round-Up this month. Great things are happening at HES!

Sincerely,

Shiloh Seymour

Principal

Lifetouch

**Pictures Are In
Pick yours up today!**

By now you should have received a proof of your student's Spring picture. Packets are available for review and purchase at the office until April 20th. If you would like to purchase the entire packet, the cost is \$45. One sheet is \$14, two sheets is \$26, and 3 sheets is \$36. You may pay online (see payment envelope for details) and bring envelope back with the payment code to receive your packet. You may also pay with cash (must be exact change, we do not keep change on hand) or check/money order made out to Lifetouch.

Harlem Education Union
Scholarship

Do you know a Wildcat alumni or upcoming graduate who could use a little help with college expenses? The Harlem Education Association is currently accepting application from current and former Harlem graduates. The application deadline is May 4th and can be picked up at Harlem Elementary or

Harlem High School.

Keep in mind that you will need to bring the following items: Birth Certificate, immunization records, proof of physical address, and any applicable custody documents. We look forward to welcoming our newest Wildcats!

For the month of April we will be working on Responsibility. Being a responsible student means making choices that lead to a successful education and good relationships. Students can demonstrate responsibility by getting to school on-time every day and making sure that they remember to bring everything they need for the school day, including books, homework, backpacks, and appropriate clothing. Participating in your own education is key to being a responsible student

Special Olympics
Montana

Please join us in supporting three very special student athletes as they compete in the Special Olympics this month. Madison Cole, Danity Walker and Eliana Cochran will join students from the high school at 9:00 a.m. at Havre Middle School on April 25th., weather permitting. Good luck, girls!
