October 2018

Dear HES Families,
The procedures and daily activities of your child's classroom should be familiar and comfortable to them by this time. If your child is still experiencing anxiety or any type of concerns, please contact your child's teacher. You are welcome to also include me on those types of communications. We will be happy to visit with you on the phone or to schedule a meeting to talk together regarding ideas to help your child.

As Fall weather approaches, we would like to remind parents that classes will still be going outside for recess. Our policy is to go outside for recess unless the temperature is below 0 degrees. **Please make sure your child is dressed appropriately for the weather.** Also, periodically we receive requests for children to stay inside at recess due to colds, etc. We will honor these requests for a period of two consecutive days, after which time we will need a doctor's note.

My last topic I want to mention is our upcoming Family Craft Night on October 25th. It is a wonderful evening with lots of fun activities. I hope you and your family are able to stop by for some games, good food, and fun times with friends. Open to all of our students K-6.

Sincerely,

Shiloh Seymour

Principal
Harlem Elementary School
